PETITION TO CORRECT ASSIGNEE UNDER 37 CFR 3.81(b)

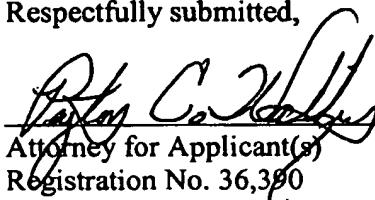

This is in response to the denial of Applicants request for a Certificate of Correction to correct the omission of the assignee on the above referenced patent. The assignee was inadvertently not indicated on PTOL-85B. Applicants are unable to provide a copy of the Notice of Recordation of Assignment Document since it is the policy of Eastman Kodak Company to destroy the assignment document once the patent issues. However, Applicants attach a printout from the USPTO Assignments on the Web which indicates that an assignment to Eastman Kodak Company was recorded at Reel 011913/0510-512 on June 15, 2001. Applicants hereby respectfully request that the file be forwarded to the Certificate of Corrections Branch and a Certificate of Correction correcting the omission of the assignee be issued.
